

Spring Term 2023
Dosbarth y Gragen

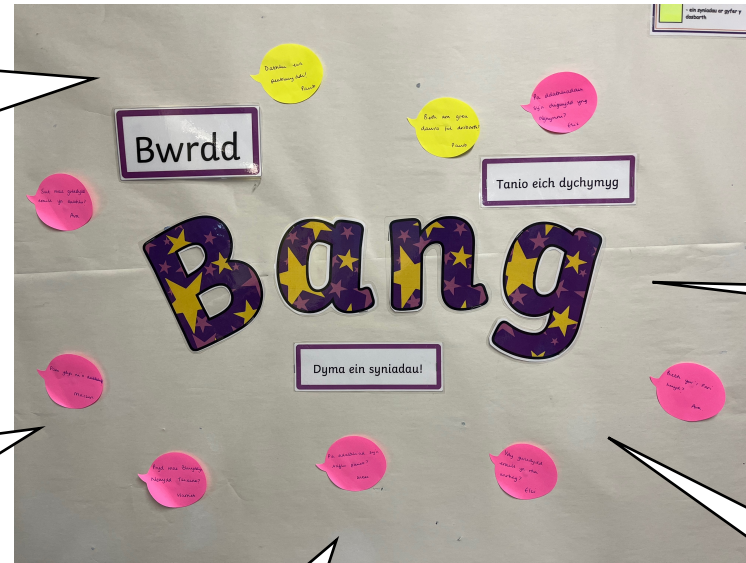

It's planning time!

Our intention in this learning unit is to motivate learners to enquire, discover and to be curious and questioning in learning about the culture of Wales and that of other countries around the world. We trust that valuing our identity and heritage will help create a sense of belonging and motivate us to appreciate the similarities and differences between ourselves and the wider world. We hope to develop a creative and new way of thinking, with learners having the opportunity to discover how the expressive arts can be used to form and express personal, social, and cultural identity. When engaging in the creative process, our learners will receive the opportunity to transform their ideas into work that has cultural value, as well as use their creative skills to work together to achieve the goal at the end of the learning unit. Through all of this, we hope to nurture a sense of pride in our learners, which will also contribute to their personal wellbeing.

How do other countries celebrate?
Ava

Let's learn a celebratory dance.
Everyone

When is Chinese New Year? Harriet

Why do we celebrate?

Macsen

Let's
celebrate our
birthdays!
Everyone

What celebrations are coming up in Wales?
Elis

This term's unit of learning: Hip, Hip Hooray!

Here are our ideas for this term:

Health and Wellbeing

Practise and develop our physical skills and continue to improve our fitness.

Develop our fine-motor skills.

Discuss how we can keep our bodies healthy.

Continue to learn how to stay safe online and learn how to send a simple online message.

Discuss the impact of celebrations on our feelings and emotional wellbeing.

Understand that people value different things and develop a sense of identity.

Languages, Literacy and Communication

Create a role-play corner 'Lluniau Llon' and enjoy dressing up, handling money and being professional photographers!

Read and listen to a variety of non-fiction stories and books.

Developing our reading skills further.

Enjoy writing for a variety of purposes, including writing an invitation and acrostic poem.

Continue to practice our spelling skills and learn to form letters correctly.

Don't forget to visit the 'Pupils section - class pages' on our school website for more information!

Expressive Arts

Study dances performed at festivals or carnivals. Learn dance patterns. Enjoy performing.

Learn new songs, listen to carnival music and play simple patterns on percussion instruments.

Mathematical homework will be distributed on a Thursday/Friday on J2pdf through their Hwb account.

A short list of words will be given on a Friday to learn by the following Friday when we will have a spelling test.

Mathematics and Numeracy

Practice counting, reading, writing and arranging numbers.

Practice and improve the skills of addition and subtraction, multiplication and division.

Use money and practice giving change.

Develop our clock reading skills.

Play many mental arithmetic games and enjoy problem solving.

Humanities

Learn about a range of festivals and celebrations in Wales and around the world.

Enjoy the idea of belonging to our local community and to Wales.

Enjoy finding out about how people in different places in the world live.

Identify similarities and differences between Wales and other countries.

Learn about Eid and Easter festivals.

Science and Technology

Design and create a carnival mask for a special celebration.

Develop our coding skills by giving instructions to a programmable toy or using a computer-based coding program.

Visits/Experiences

Take part in a dance or drumming workshop.

The Closing Project

Plan and organise a celebration of our own!
