

Tymor y Gwanwyn 2023

Dosbarth yr Wylan

Bant â ni i gynllunio!

Dysgu mwy am
ddathliadau
Cymru.

Ein bwriad yn yr uned ddysgu hon yw ysgogi'r dysgwyr i ymholi a darganfod, i fod yn chwilfrydig ac i gwestiynu, wrth ddysgu am ddiwylliant Cymru a diwylliannau gwledydd eraill ar draws y byd. Hyderwn y bydd gwerthfawrogi ein hunaniaeth a'n treftadaeth yn gymorth i greu ymdeimlad o hunan ac o berthyn ac yn ein cymell i werthfawrogi'r tebygrwydd a'r gwahaniaethau rhyngom ni a'r byd ehangach. Gobeithiwn ddatblygu ffordd greadigol a newydd o feddwl, gyda'r dysgwyr yn cael y cyfle i ddarganfod sut y gellir defnyddio'r celfyddydau mynegiannol i ffurfio a mynegi hunaniaeth bersonol, gymdeithasol a diwylliannol. Wrth ymwneud â'r broses greadigol, bydd ein dysgwyr yn derbyn y cyfle i drawsnewid eu syniadau i mewn i waith sydd â gwerth diwylliannol, yn ogystal â defnyddio eu sgiliau creadigol i gyd-weithio er mwyn cyflawni'r nod ar ddiwedd yr uned ddysgu. Trwy hyn i gyd, gobeithiwn feithrin ymdeimlad o falchder yn ein dysgwyr, a fydd hefyd yn cyfrannu at eu lles personol.

Sut ydyn nhw'n dathlu'r
Flwyddyn Newydd Tseiniadau?

Beth yw garnifal
Brasil?

Gwersi creadigol fel
dawnsio, cerddoriaeth a
chreu.

Gwahaniaethau rhwng ein
dathliadau a dathliadau ar
draws y byd.

Cynllunio dathliad
ein hunain!

Thema'r tymor yw: Hip. Hip Hwrê!

Dyma ein syniadau ar gyfer y tymor!

Ymweliadau/Profiadau

Cymryd rhan mewn gweithdy dawn.

Y Cywaith Cloi

Cynllunio a threfnu dathliad ein hunain!

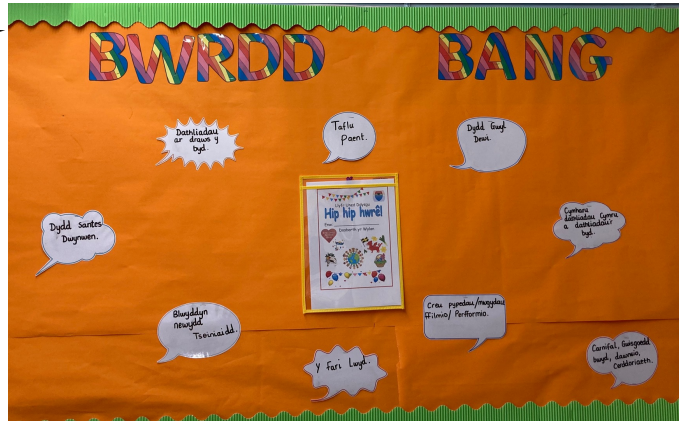

Spring Term 2023 Dosbarth yr Wylan

It's planning time!

Our intention in this learning unit is to motivate learners to enquire, discover and to be curious and questioning in learning about the culture of Wales and that of other countries around the world. We trust that valuing our identity and heritage will help create a sense of belonging and motivate us to appreciate the similarities and differences between ourselves and the wider world. We hope to develop a creative and new way of thinking, with learners having the opportunity to discover how the expressive arts can be used to form and express personal, social, and cultural identity. When engaging in the creative process, our learners will receive the opportunity to transform their ideas into work that has cultural value, as well as use their creative skills to work together to achieve the goal at the end of the learning unit. Through all of this, we hope to nurture a sense of pride in our learners, which will also contribute to their personal wellbeing.

To learn more about Welsh celebrations.

What is Brazil Carnival?

How is the Chinese New Year celebrated?

Creative lessons such as dancing, music and art.

To learn the differences between our celebrations and celebrations around the world.

To plan our own celebration!

This term's unit of learning: Hip, Hip Hooray!

Here are our ideas for this term:

Don't forget to visit the 'Pupils section
- class pages' on our school website
for more information!

Follow us on 'twitter' also!
@YGGBrynymor1

Health and Wellbeing

- Practice and develop our physical skills and continue to improve our fitness.
- Develop our fine-motor skills.
- Discuss how we can keep our bodies healthy.
- Assess prior knowledge and deepen your understanding of how to stay safe online.
- Learn how to send messages to safe contacts.
- Discuss who are safe contacts online. Discuss the impact of celebrations on our feelings and emotional wellbeing.
- Understand that people value different things and develop a sense of identity.

Languages, Literacy and Communication

- Use resources in the class that support learning through play such as Lego and Kinects.
- Read and listen to a variety of non-fiction stories and books.
- Developing our reading skills further in both Welsh and English.
- Enjoy writing for a variety of purposes, including writing an invitation and acrostic poem.
- Continue to practice our spelling skills and deepen our understanding of different writing styles.

Expressive Arts

- Study dances performed at festivals or carnivals. Learn dance patterns. Enjoy performing.
- Learn new songs, listen to carnival music and play simple patterns on percussion instruments.

Mathematical homework will be distributed on a Thursday/Friday on J2pdf through their Hwb account.

A short list of words will be given on a Friday to learn by the following Friday when we will have a spelling test.

Mathematics and Numeracy

- Practice counting, reading, writing and arranging numbers while looking at a variety of different techniques.
- Practice and improve the skills of addition and subtraction, multiplication and division.
- Use money and practice giving change.
- Develop our clock reading skills.
- Play many mental arithmetic games and enjoy problem solving.

Humanities

- Learn about a range of festivals and celebrations in Wales and around the world.
- Enjoy the idea of belonging to our local community and to Wales.
- Enjoy finding out about how people in different places in the world live.
- Identify similarities and differences between Wales and other countries.
- Learn about Eid and Easter festivals.

Science and Technology

- Design and create a carnival mask for a special celebration.
- Develop our coding skills by giving instructions to a programmable toy or using a computer-based coding program.

Visits/Experiences

- Take part in a dance or drumming workshop.

The Closing Project

Plan and organise a celebration of our own!
