

Tymor yr Haf (ii) 2016

Dosbarthiadau Mrs C. Williams a Miss Rh. Owen

Ein thema am yr hanner tymor yw 'Garddwyr Gwyrdd'

Dyma fraslun o thema'r tymor:

Bydd y plant yn dysgu:

- Enwau rhannau o blanhigion a sut maen nhw'n tyfu;
- Bod angen gwahanol leoedd ar wahanol blanhigion i dyfu yng ngwahanol rannau o'r byd;
- Sut i gyflawni profion teg a gwneud mesurau cywir;
- Sut i ddarganfod gwybodaeth o wahanol ffynonellau;
- Sut i ysgrifennu adroddiad a chyflwyno gwybodaeth, gan gynnwys darluniau a ffotograffau;
- Sut mae artistiaid yn darlunio planhigion, sut caiff planhigion eu cynrychioli mewn celf a sut i wneud darluniadau arsylwadol o blanhigion;
- Sut i weithio fel tîm.

Os oes gennych unrhyw arbenigedd yn y meysydd uchod, byddwn yn falch iawn o dderbyn unrhyw gymorth. Hefyd os oes gennych unrhyw offer garddio, e.e. potiau, hadau, planhigion nad oes eu hangen arnoch mwyach, byddwn yn falch iawn o'u derbyn! Diolch am eich cefnogaeth.

Summer Term (ii) 2016

Mrs C. Williams and Miss Rh. Owen's classes

Our theme for this half term is 'Green Gardeners!'

An overview of this term's theme:

In this project the children will learn:

- The names of the parts of plants and how they grow;
- How different plants need different places to grow in different parts of the world;
- How to carry out fair tests and make accurate measurements;
- How to find information from different sources;
- How to write a report and present information, including illustrations and photographs;
- How artists draw plants, how plants are represented in art and how to make observational drawings of plants;
- How to collaborate together in a team.

If you have any expertise in any of the above areas, we would be very glad of your assistance. Also, if you have any unwanted gardening materials, e.g. pots, seeds, tools, young plants etc, we would be very grateful to receive them for our planting areas. Thank you for your support.

Visit to the 'National Botanic Garden of Wales' 27/6/16
