

Spring Term 2026

Dosbarth y Morlo

It's planning time!

In this unit of learning, our aim is to inspire pupils to be curious, to ask questions, and to explore the culture of Wales alongside the cultures of other countries around the world. We seek to foster an appreciation of identity and heritage, creating a strong sense of belonging and pride. Learners will also be encouraged to recognise both similarities and differences between ourselves and the wider world. They will have opportunities to use expressive arts to communicate their personal, social, and cultural identity. Through the creative process, pupils will collaborate to produce work of cultural value, developing creative skills and new ways of thinking. Above all, we strive to nurture well-being and foster a deep sense of pride, empowering every learner with confidence, creativity, and a strong sense of identity.

What do
people wear
to celebrate?
Aurora

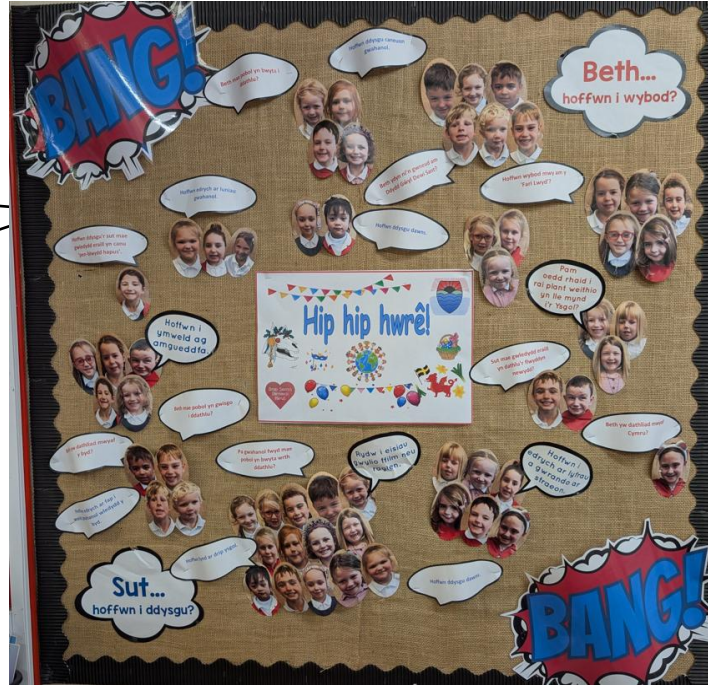

What do
we do for
St David's
day? Leo

I'd like to learn how other
countires sing happy birthday.
Tanwen

I'd like to learn a
dance from
another country.
Sylvi

What do people eat
when celebrating?
Betsi

How do other
countries
celebrate the
New Year.
Willow

This term's unit of learning: Hip, Hip Hooray! Fun and festivals Around the World!

Here are our ideas for this term:

Health and Wellbeing

Practise and develop our physical skills and continue to improve our fitness.

Develop our fine-motor skills.

Discuss how we can keep our bodies healthy.

Continue to learn how to stay safe online and learn how to send a simple online message.

Discuss the impact of celebrations on our feelings and emotional wellbeing.

Understand that people value different things and develop a sense of identity.

Languages, Literacy and Communication

Create a role-play corner 'Lluniau Llon' and enjoy dressing up, handling money and being professional photographers!

Read and listen to a variety of non-fiction stories and books.

Developing our reading skills further.

Enjoy writing for a variety of purposes, including writing an **invitation** and **acrostic poem**.

Continue to practice our spelling skills and learn to form letters correctly.

Don't forget to visit the 'Pupils section - class pages' on our school website for more information!

Mathematics and Numeracy

Practice counting, reading, writing and arranging numbers.

Practice and improve the skills of addition and subtraction, multiplication and division.

Use money and practice giving change.

Develop our clock reading skills.

Play many mental arithmetic games and enjoy problem solving.

Humanities

Learn about a range of festivals and celebrations in Wales and around the world.

Enjoy the idea of belonging to our local community and to Wales.

Enjoy finding out about how people in different places in the world live.

Identify similarities and differences between Wales and other countries.

Learn about Eid and Easter festivals.

Science and Technology

Design and create an item of food for a special celebration.

Develop our coding skills by giving instructions to a programmable toy or using a computer-based coding program.

Visits/Experiences

Take part in a dance or drumming workshop.

The Closing Project

Plan and organise a celebration of our own!
