

Autumn Term 2023 - Dosbarth yr Wylan

Here are our plans!

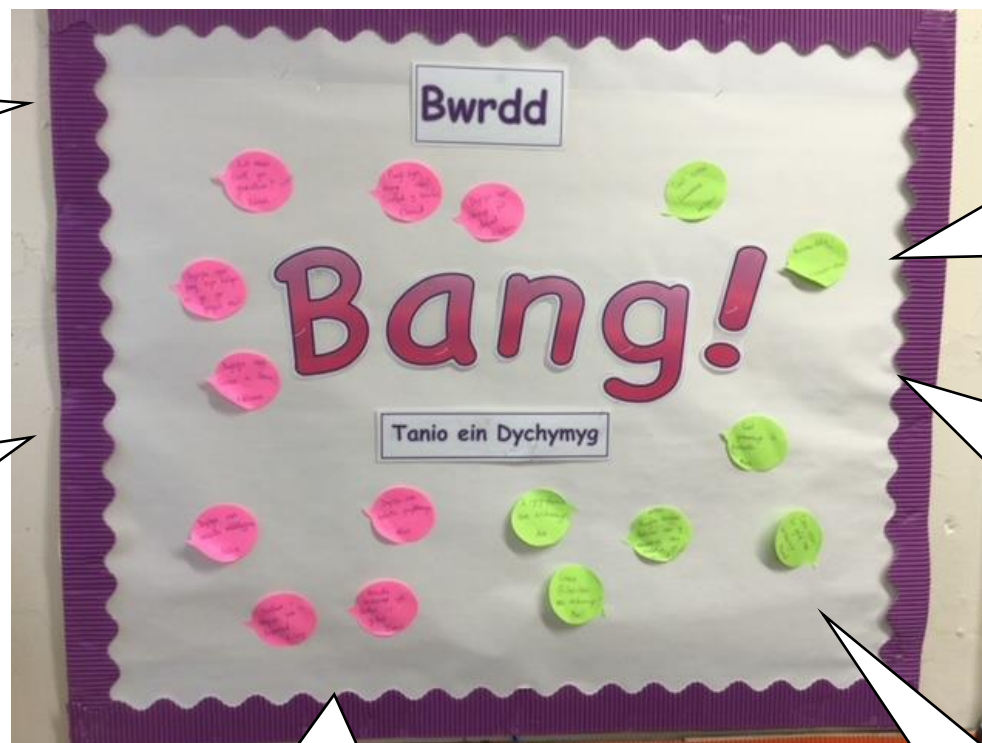

Our intention in this unit of learning is to fire the imagination by exploring the world of imaginary heroes and real-life heroes. We aim to develop confident and creative learners who will be able to communicate effectively to share their ideas and present information. Our goal is to develop healthy individuals who understand the impact of their decisions and actions on themselves and others. We intend to nurture pupils who will value and respect the contribution and responsibilities of others in the community. By the end of this unit of learning, we trust that the pupils will be inspired to become ethical, informed citizens, who are ready to play their part in society now and in the future.

Learn about
Superted.

Riley

Learn about the
work of
doctors.

Felix

Talk about who our
heroes are.

Elenid

Create an
animation.

Elenor-Rae

I want to create films about
superheroes!

Maël

Learn about football
heroes.

Follow us on 'twitter' also! @YGGBrynymor1

'Do all heroes wear capes?

Prove it! Here are our ideas!

Expressive Arts

- Study images of superheroes.
- Create an imaginary superhero.
- Study the music used to portray superheroes in cartoons or films.
- Use the skills that we have learnt to create a simple animation based on our imaginary superheros.

Science and Technology

- Develop our animation skills by using suitable apps and software.
- Develop our coding skills, by giving a series of instructions to a programmable toy.
- Investigate the effects of exercise on our bodies.
- Design, create and evaluate a Christmas decoration.

Languages, Literacy and Communication

- Create a 'Superhero Den' role- play corner and enjoy some amazing adventures!
- Continue to develop our phonics and reading skills and enjoy listening to a variety of stories and poems.
- Enjoy writing for a variety of purposes, including descriptive writing, comic strips and presenting information.
- Continue to practise our spelling and handwriting skills.

Health and Well-being

Learn about the importance of a balanced diet and how to live healthily.

Discuss what is acceptable and unacceptable behaviour.

Continue to develop and improve our fitness.

Develop our fine-motor skills through a variety of tasks.

Learn about different careers and begin to challenge stereotypes.

Mathematical homework will be distributed on a Thursday/Friday. The homework will be shared through your child's Hwb account. Please see the class page on the school website for instructions.

A short list of words will be given on a Friday to learn by the following Friday when we will be given a spelling test.

Humanities

- Study the way superheroes have changed over the years and learn about 'Superted,' the first Welsh superhero to appear on television.
- Talk about heroes in our daily lives.
- Discover more about heroes from Wales.
- Learn about the work of heroes in our community.
- Learn about Christmas traditions and why Christmas is important to Christians.

Mathematics and Numeracy

- Practise counting, recognising, writing and arranging numbers.
- Practise and develop our addition, subtraction and multiplication skills.
- Use money, practise measuring skills, study shape and time and develop our reasoning and problem-solving skills.
- Enjoy playing a variety of mental mathematical games.
- Collect and present data.
