

Spring Term 2024

Dosbarth y Bilidowcar **It's planning time!**

What was
Wales like
years ago?
James

I would like to
look into the
Welsh flag.
Louis a Ffion. T

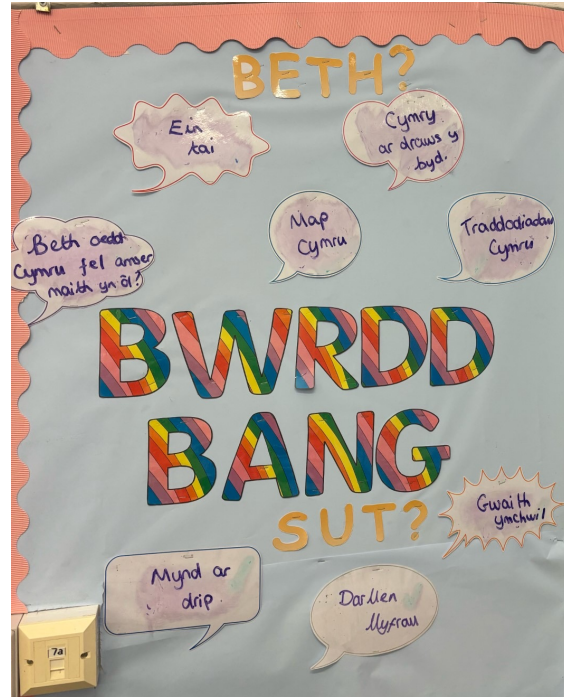

I would like to learn about
Welsh traditions. *Mabyn*

I would like
to make
something!
Ffion.B

I'd like to
go on a trip!
Leeco

We'd like to
discuss our
homes-
everyone

To learn about
Welsh history-
Heulwen

Our intention in this learning unit is to develop learners who are knowledgeable about their culture, their local area and country now and in the past. We hope to stimulate pupils to enquire and discover, and develop a curiosity about their identity and Welsh heritage. In experiencing the wonders of Wales, we trust that this will help to evoke a sense of place and belonging. We also hope to develop a curiosity about science and food technology that will encourage them to ask questions about the world around us to deepen their understanding. By the end of the learning unit, we trust that the pupils will be proud of their culture and appreciate their sense of identity and belonging.

There's no place like home!

Here are our ideas for this term:

Don't forget to visit the 'Pupils section - class pages' on our school website for more information!

Health and Wellbeing

Practise and develop our physical skills and continue to improve our fitness.
Practice our fine motor skills
Continue to learn how to stay safe online and make wise choices.
Discuss our homes and understand that there are differences and similarities between each other's homes.
Understand the importance of personal hygiene in cooking.
Develop a sense of identity and belonging to Wales.

Languages, Literacy and Communication

Create a play corner 'Caffi'r Ddraig Goch' and enjoy cooking, serving food, handling money and being customers and chefs.
Read and listen to a variety of stories, legends and non-fiction books and develop a sense of empathy through stories.
Continue to develop our reading skills.
Enjoy writing in various styles, including writing instructions and a letter.
Continue to practice our spelling skills and learn to form letters correctly.

Expressive Arts

Enjoy singing a range of songs.
Explore and experiment with the technique of 'weaving' in the study of Welsh woollen fabric.
Learn and enjoy performing traditional Welsh dances.

Mathematical homework will be distributed on a Thursday/Friday on J2pdf through their Hwb account.

A short list of words will be given on a Friday to learn by the following Friday when we will have a spelling test.

Mathematics and Numeracy

Practice counting, reading, writing and arranging numbers.
Practice and improve the skills of addition and subtraction, multiplication and division.
Use money and practice giving change.
Develop our clock reading skills.
Play many mental arithmetic games and enjoy problem solving.

Humanities

Develop our knowledge about Wales.
Get to know some of Wales' significant places and buildings and locate them on maps.
Listen to stories about events in Welsh history.
Identify similarities and differences between today and the past.
Explore the history of pottery
Appreciate our homes and families and the sense of belonging.

Science and Technology

Develop an understanding of how some everyday materials change when cooled, heated or mixed with other materials.
Enjoy cooking simple recipes to see the process of changing materials.
Use digital equipment for various purposes e.g collecting and displaying data, creating presentations.

Visits/Experiences

Visit to St Fagans Museum
A visit from a food delivery company to learn more about Welsh produce.

The Closing Project

Plan and organise a Welsh tea party.
