YSGOL GYMRAEG BRYN Y MÔR

CADW IAITH CADW GWLAD

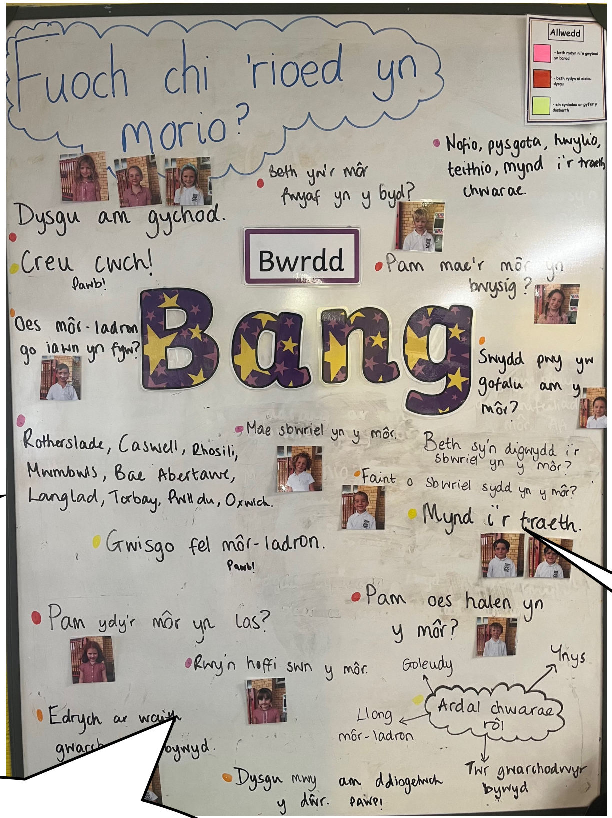
Tymor yr Haf 2024

Dosbarth Y Gragen

Ein bwriad yn yr uned ddysgu hon yw datblygu dysgwyr sy’n wybodus ynglŷn â'r defnydd o'r môr yn ein cynefin a meithrin ynddynt yr ymdeimlad o le ac o berthyn. Anelwn at ddatblygu dealltwriaeth o sut y gall gweithredoedd dynol effeithio ar y byd naturiol ac annog y dysgwyr i ddeall eu heffaith hwy eu hunain ar gynefin y môr a'r traeth. Gobeithiwn feithrin yn ein dysgwyr y gallu i wneud penderfyniadau gwybodus ac i ddeall effaith eu gweithredoedd arnynt eu hunain ac ar eraill. Bwriadwn ddatblygu chwilfrydedd am wyddoniaeth a datblygu corff o wybodaeth ynglŷn â grymoedd a sut y maent yn effeithio ar yr hyn sydd o'n cwmpas. Trwy arbrofi â mecanweithiau syml, byddwn hefyd yn meithrin ein dysgwyr i ddod yn ddatryswyr problem blaengar. Anelwn hefyd at barhau i ddatblygu empathi trwy ddefnyddio llenyddiaeth sy'n tanio'r dychymyg.

Bant â ni i gynllunio!

Dysgu am gychod gwahanol a sut maent yn gweithio.
Amelia, Ffion W, Harriet



Allwn ni greu cwch?!
Pawb

Beth sy’n digwydd i’r sbwriel sydd yn y môr?

Daniel

Beth yw’r môr fwyaf yn y byd?

Albee

Allwn ni fynd i’r traeth?
Ben a Joe

Hoffwn i ddysgu am môr-ladron.
Osian SJ

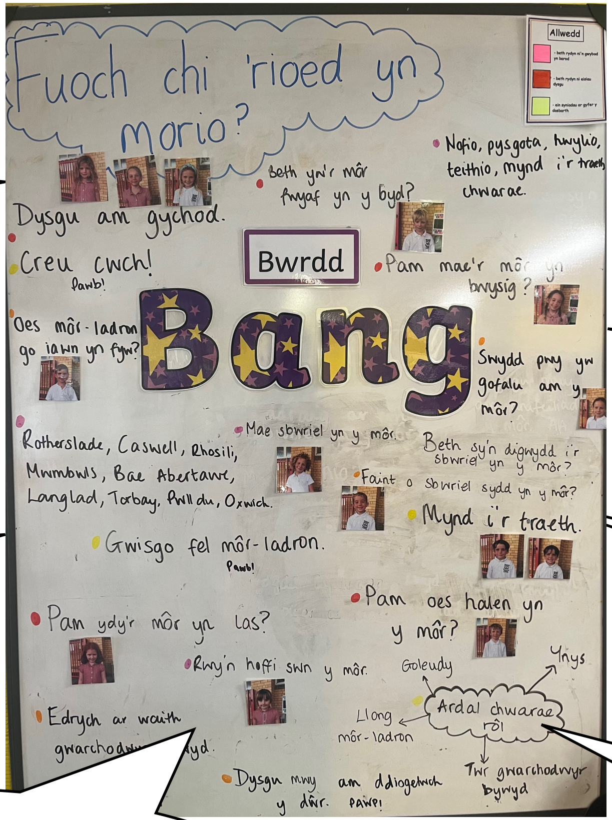
Summer Term 2024

Class: Y Gragen

Off we go to plan our learning!

Our intention in this learning unit is to develop learners who are knowledgeable about the use of the sea in our habitat and to instill in them a sense of place and belonging. We aim to develop an understanding of how human actions can affect the natural world and encourage learners to understand their own impact on marine and beach habitats. We hope to instill in our learners the ability to make informed decisions and to understand the impact of their actions on themselves and others. We intend to develop curiosity about science together with a body of knowledge about forces and how they affect what is around us. By experimenting with simple mechanisms, we will also nurture our learners to become forward-thinking problem solvers. We also aim to continue to develop empathy through the use of literature that sparks the imagination.

We want to learn about different types of boats and how they work.
Amelia, Ffion W, Harriet



Can we make a boat?!
Everyone

What happens to the rubbish in the sea?
Daniel

What's the largest sea in the world?
Albee

Can we learn about pirates?
Osian SJ

Can we go down to the beach?
Ben a Joe

Fuoch chi 'rioed yn morio?

Dyma ein syniadau ar gyfer y tymor:

Cofiwch edrych yn adran y plant – tudalennau dosbarth ar wefan yr ysgol am fwy o fanylion!

Dilynwch ni ar 'X' hefyd!
@YGGBrynymor1

Y Dyniaethau

- Dysgu am hanes môr-ladron enwog o Gymru.
- Datblygu geirfa ddaearyddol wrth drafod amgylchfyd y môr.
- Datblygu dealltwriaeth o sut y defnyddir y môr yn ardal Abertawe a'r gwahanol longau/ cychod sy'n defnyddio'r môr.

Iechyd a Lles

- Ymarfer a datblygu ein sgiliau corfforol a pharhau i wella ein ffitrwydd.
- Ymarfer a gwella ein sgiliau athletau.
- Datblygu ein sgiliau trin pêl.
- Ymarfer ein sgiliau llawdriniol manwl.
- Datblygu dealltwriaeth o'r peryglon yn yr amgylchedd a sut i gadw'n ddiogel ar lan y môr.
- Datblygu ymwybyddiaeth ynglŷn â sut y gallwn fod yn ddinasyddion cyfrifol a dangos gofal a pharch at amgylchedd y môr a'r traeth.

Y Celfyddydau Mynegiannol

- Mwynhau canu ystod o ganeuon yn ymwneud â'r uned ddysgu.
- Archwilio ac arbrofi â gwahanol dechnegau arlunio ar gyfer creu darluniau.

Gwyddoniaeth a Thechnoleg

- Dysgu am rymoedd (gwthio, tynnu, arnofio, suddo)
- Creu cychod gan ddefnyddio deunyddiau amrywiol.
- Cynllunio a chreu bad achub gan ddefnyddio mecanweithiau amrywiol.

Bydd gwaith cartref mathemateg ar nos Iau neu nos Wener yn cael ei rannu trwy'r cyfrif Hwb ar J2pdf. Bydd geirfa i'w dysgu ar ddydd Gwener a byddwn yn cael prawf sillafu bach ar y dydd Gwener canlynol.

Ieithoedd, Llythrennedd a Chyfathrebu

- Creu cornel chwarae 'Dewch i Forio' a mwynhau gweithgareddau o bob math.
- Darllen a gwrando ar amrywiaeth o straeon, rhigymau a llyfrau ffeithiol a datblygu ymdeimlad o empathi trwy straeon.
- Dal ati i ddatblygu ein sgiliau darllen.
- Mwynhau ysgrifennu mewn amrywiol ddulliau, gan gynnwys ysgrifennu straeon naratif a phosteri yn dwyn perswâd.
- Parhau i ymarfer ein sgiliau sillafu a dysgu ffurfio llythrennau yn gywir.

Mathemateg a Rhifedd

- Ymarfer cyfrif, darllen, ysgrifennu a threfnu rhifau.
- Ymarfer a gwella sgiliau adio a thynnu, cyfri' mewn camau, lluosi a rhannu.
- Defnyddio arian ac ymarfer rhoi newid.
- Datblygu ein sgiliau darllen y cloc, mesur cynhwysedd a hyd.
- Chwarae llawer o gêmau mathemateg pen a mwynhau datrys problemau.

Ymweliadau/Profiadau

- Ymweld â bad achub y Mwmblws.
- Ymweld ag Amgueddfa'r Glannau
- Cynnal sesiwn glanhau'r traeth.

Y Cywaith Cloi

Creu bad achub i helpu cymeriad mewn stori a chynnal diwrnod Miri'r Morwyr er mwyn codi arian i'r Bad Achub.

'Fuoch chi 'rioed yn morio?' *(Have you ever been sailing?)*

Here are our ideas for the term:

Remember to look at the Class Pages section in the Children's area of our school website for more information!
www.yggbrynymor.co.uk
Follow us on 'X' too!
@YGGBrynymor1

Humanities

- Learn about the history of famous Welsh pirates.
- Develop a geographical vocabulary when discussing the environment of the sea.
- Develop an understanding of how the sea is used in the Swansea area and the different ships/ boats that use the sea.

Health and Wellbeing

- Practice and develop our physical skills and continue to improve our fitness.
- Practice and improve our athletics skills.
- Develop our ball handling skills.
- Practice our fine motor skills.
- Develop an understanding of the risks in the environment and how to stay safe on the seashore.
- Develop awareness about how we can be responsible citizens and show care and respect for the sea and beach environment.

The Creative Arts

- Enjoy singing a range of songs relating to our learning unit.
- Exploring and experimenting with different drawing techniques for creating various drawings.

Science and Technology

- Learning about forces (pulling, pushing, floating, sinking).
- Create boats using various materials.
- Design and create a lifeboat using various mechanisms.

Maths homework on Thursday or Friday evenings will be shared via Hwb on J2pdf. There will be vocabulary to learn on Fridays and we will have a mini spelling test on the following Friday.

Languages, Literacy and Communication

- Create a 'Let's Go Sailing' play corner and enjoy activities of all kinds.
- Read and listen to a variety of stories, rhymes and non-fiction books and develop a sense of empathy through stories.
- Continue to develop our reading skills.
- Enjoy writing a variety of text types, including writing narrative stories and persuasive posters .
- Continue to practice our spelling skills and learn to form letters correctly.

Mathematics and Numeracy

- Practice counting, reading, writing and arranging numbers.
- Practice and improve the skills of addition and subtraction, counting in steps, multiplication and division.
- Use money and practice giving change.
- Develop our skills in reading the clock, measuring capacity and length.
- Play various mental maths games and enjoy problem solving.

Visits/ Experiences

- Visit the Mumbles lifeboat.
- Visit the Waterfront Museum.
- Hold a beach clean-up.

The Closing Project

Create a lifeboat to assist a character in a story and host a Fun Sailor's day to raise money for the Lifeboat.
