

Make a Penguin

You will need:
a cardboard tube
coloured paper
googly eyes
scissors
glue

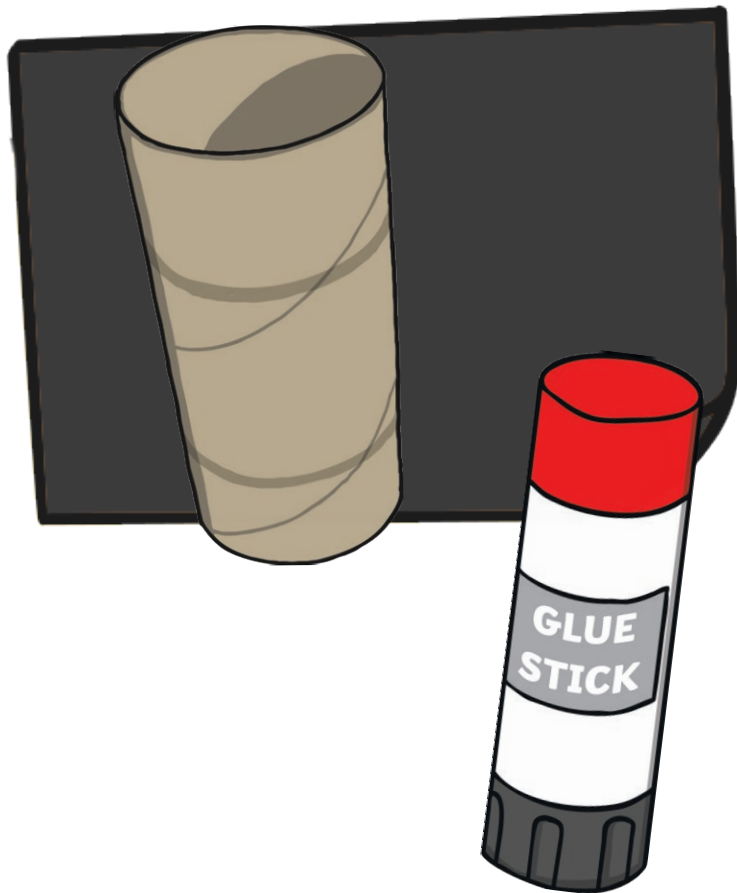

1

Cut out the shapes for the feet, wings, beak and tummy.

2

Glue some black paper to the outside of the cardboard tube.

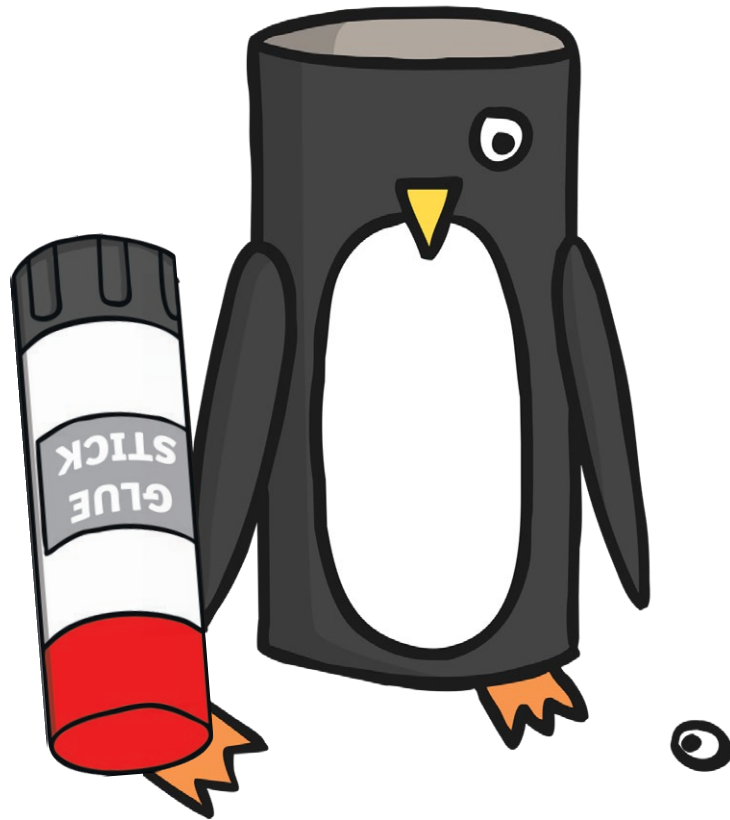

3

Stick the tummy, beak and wings to the tube.

4

Stick the googly eyes and the feet onto the tube.

5

Leave your penguin in a safe place to dry.
