Dear All,

We hope you all enjoyed St David's Day and last week's tasks. Thank you for sharing your work with us. We enjoy seeing your hard work and creative efforts. We will continue with the theme 'Wales' next week, hoping that this will be the final week of working in this way before returning to the classroom. The maths focus for next week will be perimeter and area, whilst we will look at persuasive writing as part of our literacy focus. You will also have an opportunity to create a Mother's Day card. We will continue to combine live streaming sessions with the tasks shared through J2PDF and our class webpage. **Please note that there will be no work/live sessions on the Friday** as we as staff will be preparing the classroom for the safe return of pupils the following week.

Any videos will be shared through the class webpage (remember to click on the rainbow to find this week's theme).

[Blwyddyn 3/Year 3 - Mr R Jones & Miss K Griffiths | Ysgol Gymraeg Bryn y Mor \(yggbrynymor.co.uk\)](#)

Any daily literacy and numeracy tasks will be shared via J2PDF as usual. Remember to look in the files that have been shared with you. **We usually share about two tasks a day for you to complete. A suggested timetable of the week's activities is attached.**

There are instructions on the website about how to open and save work in your files if you are not sure how to do this.
