

Dewch i feddwl!

Rhaid i chi wneud rhes o 3 siâp 2D

You are to make a row of three 2D shapes.

Cyfanswm nifer o ochrau'r siâp 1af a'r 2il yw 9.
(The **first** and the **second** shapes have a total of 9 sides.)

Mae gan yr 2il a'r 3ydd siâp gyfanswm o 10 ochr.
The **second** and **third** shapes have a total of 10 sides.

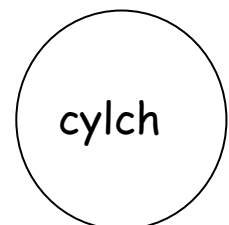

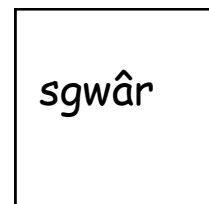

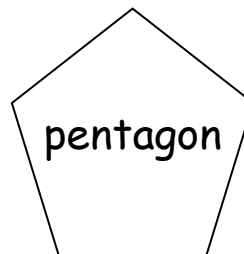

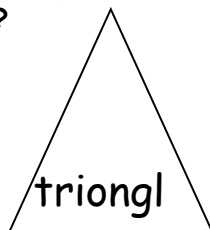

Mae gan y siâp 1af a'r olaf gyfanswm o 7 ochr.
The **first** and the **last** shape have a total of 7 sides.

Arbrofwch! Tynnwch luniau'r siapau yn y drefn gywir. Investigate! Can you draw the three shapes in the correct order?

--	--	--

Beth am dorri'r siapau
yma allan i'ch helpu
wrth arbrofi?

What about cutting out
these shapes to help
you investigate?

Her ychwanegol: (Extra Challenge) Beth am greu pôs tebyg i
aelod o'ch teulu? What about creating a similar puzzle for a member
of your family?
