

1.

Faint o arian?

How much money?

c

2. Ysgrifennwch y rhifau yma yn eu trefn.

(Write these numbers in the correct order)

91

19

54

15

15

y lleiaf smallest

y mwyaf largest

3.

$$26 + 6 =$$

$$17 - 9 =$$

4.

Dewisodd y plant yma eu hoff ffrwyth. (The children chose their favourite fruit.)

		Cai	
		Dan	
		Wil	
Dewi		Dai	
Tom	Rhys	Jess	
Ben	Nia	Twm	Daf
Cad	Beth	Mair	Elin

afal (apple)

banana

oren (orange)

peren (pear)

Faint sydd wedi dewis oren?

How many children chose orange?

Pa ffrwyth y mae'r rhan fwyaf
o'r plant wedi'i ddewis?

What fruit did **most** children choose?

Afal oedd dewis Sam. Dangoswch hyn ar y siart.

Sam chose an apple. Show this on the chart.

5.

Defnyddiwch bren mesur i dynnu llinell 7cm o hyd.

(Use a ruler to draw a line which is 7cm long.)

Mae'r bwrdd gwyn yn **un metr** o hyd. (The white board is 1 meter long.)

Faint o **gentimetrau** yw hynny? (How many centimetres is that?)

centimedr

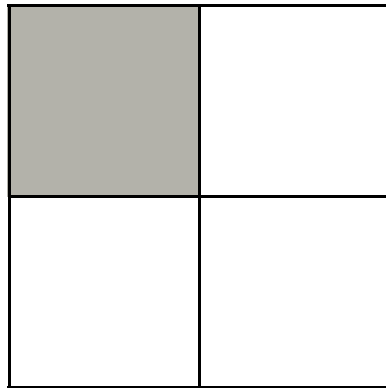

6.

Cysylltwch pob cloc gyda'r amser cywir. (

Draw lines to match up the clocks.)

7.

Pa ffracsiwn sydd wedi ei liwio?

What fraction of this shape is shaded? e.g. $\frac{1}{4}$ or $\frac{1}{2}$

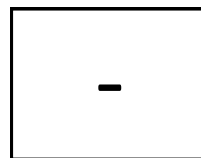

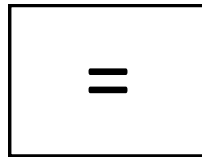

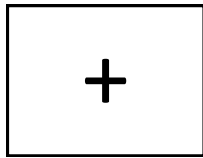

Pa ffracsiwn sydd wedi ei liwio?

Pa ffracsiwn sydd wedi ei liwio?

What fraction of this shape is shaded?

8.

Defnyddiwch ddau o'r arwyddion i wneud brawddegau rhifau.

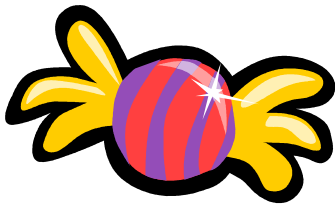

Use two of these symbols to make number sentences.

$$28 \quad \square \quad 10 \quad \square \quad 18$$

Nawr gnewch frawddeg rifau **wahanol**. (Now, make a different number sentence.)

$$28 \quad \square \quad 10 \quad \square \quad 18$$

9.

Losin Sweets—20p each

20c yr un

Mae Sam yn prynu saith o losin. Sam buys 7 sweets.

Mae'n talu a darn £2 He pays with a £2 coin

Faint o newid mae Sam yn ei gael? How much change will he receive?
