

Annwyl Riant,

Rydyn yn gyffrous iawn am ddod i adnabod eich plentyn ac yn edrych ymlaen at weithio gyda chi yn ystod y flwyddyn i gefnogi ei h/addysg. Er mwyn i ni ddechrau datblygu perthynas gyda'ch plentyn o'r cychwyn cyntaf, hoffem ni wybod ychydig am beth sy'n ei g/wneud hi/e'n arbennig e.e. teulu, anifeiliaid anwes, hoff bethau /cas bethau.

Mae gwybod diddordebau eich plentyn yn helpu ni i gynllunio gweithgareddau sy'n gyffrous ac yn ystyrlon iddo/iddi.

Yn ystod y gwyliau haf, hoffem ni i chi addurno a llenwi bocs esgidiau. Fe fydd y bocs arbennig hwn yn cynnwys lluniau a gwrthrychau sy'n bwysig i'ch plentyn.

Fe fyddem ni'n gwneud bocsys hefyd, fel eich bod chi yn gallu dod i'n hadnabod hefyd!

Mwynhewch wneud y bocs ac edrychwn ymlaen at eich croesawu i'r Dosbarth Derbyn ym mis Medi!

Dear Parent,

We are very excited about getting to know your child and are looking forward to working with you throughout the year to support his/her education. In order to get a 'head start' in developing a relationship with your child, it would be really useful to know a little about what makes him/her special e.g. family, pets, favourite things, likes and dislikes.

Knowing your child's interests helps us to plan activities that are exciting and meaningful to him/her.

Over the summer holidays, we would like you to decorate and fill a shoe box. Inside this special box will be photos or objects of things that are important to your child.

We will also be making boxes, so that you can get to know us too!

Have fun making your box and we look forward to welcoming you to the Reception Class in September!
