

Dewch i feddwl!

Prynodd Daniel losin yn y siop.
Gwariodd 20c. Pa ddarnau arian
y gallai Daniel fod wedi eu rhoi i'r
siopwr?

(Daniel bought some sweets. He spent 20p. Which coins could he have used to pay the shopkeeper?)

Mae'r lolipops yn 5c yr un. Sawl
lolipop gallai Daniel eu prynu
gyda 20c?

Lollypops are 5p each. How many lollypops could Daniel buy for 20p?

Her ychwanegol: Sawl ffordd fedrwch chi
ddarganfod o greu cyfansymiau eraill o arian?

How many different ways can you find of making other amounts of money?
