Everyone

Everyone

I'd like to discover
how people in other
countries live. Ruby

Spring Term 2020 — Mrs Williams, Mr Jones and Mrs Evans' Yrs 1 & 2 classes

This term's theme is 'Big Wide World'
Here are our ideas for the term!

Science and Technology

- To learn how to stay safe on the web and to use ICT equipment appropriately/safely.
- Communicate our ideas in various ways through the use of ICT.
- To plan and build various structures and objects using a variety of equipment.

Expressive Arts

- To develop our paint mixing skills in order to create landscape paintings.
- To learn new songs and to listen to songs from Wales and other countries from around the globe.
- To develop our creative and traditional/folk dancing skills.

Humanities

- To use our geographical investigating skills in order to compare Wales and the Swansea area with another country. (We have voted to choose a country to focus on.)
- To compare factors such as the weather, population, geographical features and the way of life in both countries.
- To appreciate the beauty of the world around us.

Health and Well-being

- To practise and develop our physical skills and improve our fitness.
- To practise our fine motor skills through the use of our busy fingers station.
- To take pride in the sense of belonging to a local community and to Wales as a country.
- To enjoy learning about how people from other countries around the world live.

Mathematical homework will be distributed on a Thursday/Friday. We must try to remember to return it on Monday.

A short list of words will be given on a Friday to learn by the following Friday when we will be given a spelling test. (Yr 2)

Don't forget to visit the 'Pupils section - class pages' on our school website for more information! www.yggbrynymor.co.uk
Follow us on 'twitter' also!
[@YGGBrynymor1](https://twitter.com/YGGBrynymor1)

Languages, Literacy and Communication

- Enjoy completing challenges and learning about different countries in our 'Where shall we go today?' role-play corner.
- Continue to practise our reading skills and enjoy listening to a variety of stories and poems.
- Enjoy writing for a variety of purposes, including **writing a factual report and a post card**.
- Continue to practise our spelling and handwriting skills.

Mathematics and Numeracy

- Practise counting, recognising, writing and arranging numbers to at least 100.
- Practise and develop our addition and subtraction skills.
- Use money, practise measuring weight and learn about shapes and symmetry.
- Enjoy playing mental mathematical games.

Visits

Swansea beach - date to be confirmed

Brynmill Park - date to be confirmed
