# Autumn Term(ii) 2019 – Mrs Williams, Mr Jones and Mrs Evans' Yrs 1 & 2 classes

## This term's theme is '**Light and Darkness**'

## Here are our ideas for the term!

**Digital Competency Skills:**

Communicate our ideas using a variety of ways;

Develop the ability to save and recall our work.

**Science and Technology**

- How to create a simple electrical circuit;
- Learn about different light sources;
- learn about the stars and planets in space;
- Create a light source using a variety of different materials.

Humanities

- Learn about the history of electricity;
- Study why light is important within different cultures and religions;
- Learn about the Christmas story.

**Expressive Arts**

How to use light and colour to create patterns, effects and express feelings;

Learn new songs and enjoy practising and performing our Christmas Concert;

**Health and Well-being**

- Discuss how light makes us feel;
- Learn about electrical safety in the home;
- Practise and develop our gymnastic skills and continue to improve our fitness.
- Practise our fine motor skills in our 'busy fingers' area.

Mathematical homework will be distributed on a Thursday/Friday. We must try to remember to return it on Monday.

A short list of words will be given on a Friday to learn by the following Friday when we will be given a spelling test. (Yr 2)

Don't forget to visit the 'Pupils section – class pages' on our school website for more information! www.yggbrynymor.co.uk
Follow us on 'twitter' also!
