

Autumn Term 2019 — Mrs Williams, Mr Jones and Mrs Evans' Yrs 1 & 2 classes

This term's theme is 'This is Me!'
Here are our ideas for the term!

Science and Technology

- Learn about our bodies and discover how they are different or similar to other people.
- Discuss how our bodies change as we grow.

Humanities

- Learn and discover about the changes that happen during the Autumn in Brynmill Park.
- Learn about the differences in the life of children today and in the past.

Digital Competency Skills:

- Develop our word processing skills
- Develop the ability to save and recall our work.

Religious Education:

- Discuss and learn about the traditions involved with the birth of a new baby and the Christening ceremony.
- Learn about the Sikh religion 'Naming Ceremony'

Expressive Arts

- Study the work of a famous artist.
- Practise and develop our artistic skills whilst creating portraits using a variety of techniques and suitable computer software.
- Learn to sing new songs and use simple percussion instruments as an accompaniment to the music.

Health and Well-being

- Show concern and respect towards each other, towards adults and our environment.
- Learn about the importance of looking after our bodies and being healthy.
- Learn to become independent and confident learners.
- Practise and develop our gymnastic skills and continue to improve our fitness.
- Practise our fine motor skills in our 'busy fingers' area.

Mathematical homework will be distributed on a Thursday/Friday. We must try to remember to return it on Monday.

A short list of words will be given on a Friday to learn by the following Friday when we will be given a spelling test. (Yr 2)

Don't forget to visit the 'Pupils section - class pages' on our school website for more information! www.yggbrynymor.co.uk
Follow us on 'twitter' also!

Languages, Literacy and Communication

- Enjoy taking part in role-play in our class surgery 'Meddygfa Bryn y Mor'
- Listen to and read lots of interesting stories.
- Continue to practise our reading skills.
- Enjoy writing for a variety of purposes.
- Practise our spelling and handwriting skills.

Mathematics and Numeracy

- Practise counting, recognising, writing and arranging numbers.
- Practise and develop our addition and subtraction skills.
- Use money, practise measuring skills (length) and study shape and time.
- Enjoy playing a variety of mental mathematical games.
