|---|---|---|---|
| **Fact File**<br>Choose a castle to research. Try to visit the castle then write 10 facts about it. | **Design Technology**<br>Make a castle. Try to include the main features of a casle – towers, keep, murder hole, port cullis. Can you include a drawbridge? | **Interviewing Skills**<br>Look for a past pupil of Bryn-y-Môr – an adult if possible, and interview him/her about the school. Think of appropriate questions and record your interview (sound/film or paper). | **Weighing and Measuring**<br>Look for 10 things in the kitchen to weigh and 10 things to measure around the house. Estimate the length/weight,t he measure accurately, recording both the estimate and correct measurement. |
| **Making a Graph**<br>Collect data by making at least 20 people choose their favourite castle from a list of six and show this information on a graph. Think of at least five questions to ask about the data and record both the questions and the answers. | **Expressing an Opinion**<br>Choose a weekly talk topic and collect the opinions of at least four people. Try to speak to people of varying ages. | **IT**<br>Make a presentation on the country your are responsible for over the 'World Cup' period. | **Creative**<br>Try and visit a castle (or look at a picture) and then make your own picture of that castle – you may use any medium. |
| **Handwriting**<br>Copy out the poem in your best joined up handwriting. You may decorate the page around the poem to add to the meaning. | **Listening**<br>Listen to three pieces of music by Karl Jenkins. Write about them – which do you prefer and why? What strikes you about the tempo and dynamics? Which instruments do you hear? How about voices? | **Wellbeing**<br>Go out for a walk and collect leaves from at least five different types of tree. Collect nuts and acorns. Is there anything else of interest to collect? Measure the circumference of at least two trees and make bark rubbings. | **Geography**<br>Choose 6 places you would like to visit within Wales' National Parks. Write at least one interesting fact about each one. |

You need to do at least 5 tasks by October 25th. At least two must be from the red boxes.

You may choose how to present the work but it must be neat and be presented in Welsh!
