

Autumn Term 2019 — Mrs Williams, Mr Jones and Mrs Evans' Yrs 1 & 2 classes

Bant â ni i gynllunio!

Can we make a space ship? John

Can we make a star using electricity? Minka

Which countries are night when it is day for us? Aron

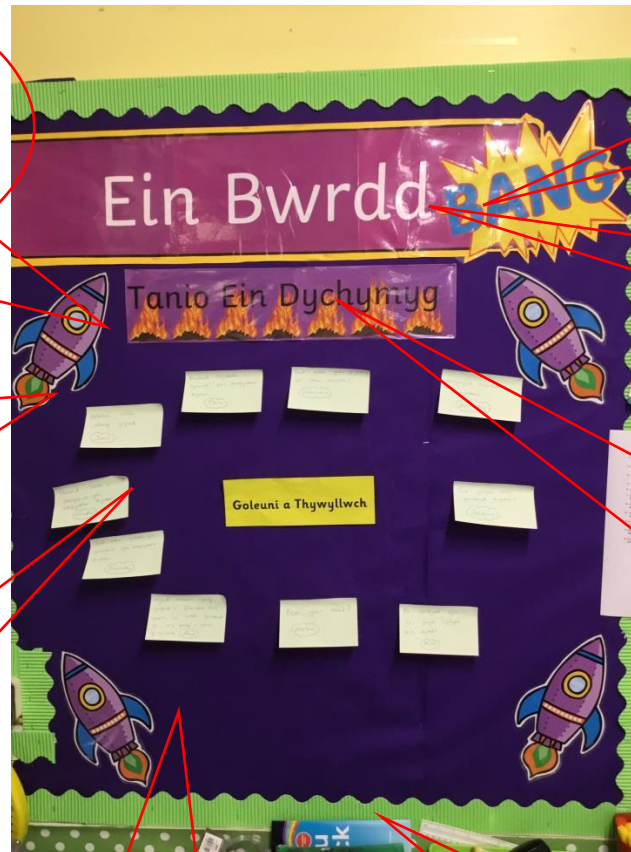

What is the sun? Martha

How does electricity work? Gethin

How does wind energy produce electricity? Damien

What are the names of the planets? Barnaby

Can we make something that moves using electricity? Torin

This term's theme is 'Light and Darkness'

Here are our ideas for the term!

Science and Technology

- How to create a simple electrical circuit;
- Learn about different light sources;
- learn about the stars and planets in space;
- Create a light source using a variety of different materials.

Health and Well-being

- Discuss how light makes us feel;
- Learn about electrical safety in the home;
- Practise and develop our gymnastic skills and continue to improve our fitness.
- Practise our fine motor skills in our 'busy fingers' area.

Languages, Literacy and Communication

- Create a 'Space Station' and 'Santa's Workshop' later in the term in our role play corner;
- Listen to and read lots of interesting stories;
- Continue to practise our reading skills;
- Enjoy writing for a variety of purposes and learn how to write simple poems on a theme;
- Practise our spelling and handwriting skills.

Humanities

- Learn about the history of electricity;
- Study why light is important within different cultures and religions;
- Learn about the Christmas story.

Mathematical homework will be distributed on a Thursday/Friday. We must try to remember to return it on Monday.

A short list of words will be given on a Friday to learn by the following Friday when we will be given a spelling test.
(Yr 2)

Mathematics and Numeracy

- Practise counting, recognising, writing and arranging numbers;
- Practise and develop our addition, subtraction and multiplication skills;
- Use money, practise measuring (time) and data handling skills;
- Enjoy playing a variety of mental mathematical

Digital Competency Skills:

Communicate our ideas using a variety of ways;

Develop the ability to save and recall our work.

Expressive Arts

How to use light and colour to create patterns, effects and express feelings;

Learn new songs and enjoy practising and performing our Christmas Concert;

Don't forget to visit the 'Pupils section - class pages' on our school website for more information! www.yggbrynymor.co.uk
