

Autumn Term (ii) 2017 – Mrs Williams's Year 2 Class

This term's theme is 'Flashes and Flames!'

Here are our ideas for the term:

Knowledge and Understanding of the World

- How to create a simple electrical circuit;
- Learn about the history of electricity;
- Learn about different light sources;

Personal and Social Development

- Discuss how light makes us feel;
- Learn about safety in the home;
- Develop an awareness of different cultures.

Language Literacy and Communication Skills

- Create 'Santa's Workshop' in our role play corner;
- Listen to and read lots of interesting stories;
- Continue to practise our reading skills;
- Enjoy writing for a variety of purposes and learn how to write simple poems on a theme;
- Practise our spelling and handwriting skills.

Digital Competency Skills:

Communicate our ideas using a variety of ways;

Develop the ability to save and recall our work.

Religious Education:

Study why light is important to us and other cultures;

Learn about the Christmas story.

Physical Development

- Develop our fitness and stamina;
- Practise our fine motor skills in our 'busy fingers' area.

Creative Development

How to use light and colour to create patterns, effects and express feelings;

Learn new songs and enjoy practising and performing our Christmas Concert;

Create a light source using a variety of different materials.

Mathematical homework will be distributed on a Thursday. We must try to remember to return it on Monday. A short list of words will be given on a Friday to learn by the following Friday when we will be given a spelling test.

Don't forget to visit the 'Pupils section - class pages' on our school website for more information! www.yggbrynymor.co.uk
Follow us on 'twitter' also!

Mathematical Development

- Practise counting, recognising, writing and arranging numbers;
- Practise and develop our addition, subtraction and multiplication skills;
- Use money, practise measuring (time) and data handling skills;
- Enjoy playing a variety of mental mathematical games.
