Thank you all very much for your continued support over the past few months with the recent changes that have taken place.

Safeguarding

We are currently continuing in the process of safeguarding the safety of our children, by introducing a new entry system to the entrance at the back of the school. It will be the same system that we currently have to enter the main entrance which is through an intercom buzzer.

Questionnaires
We will shortly be sending out questionaries' for you to give us your opinion our school.

Ongoing improvements

We have recently fitted new lockers for the children. We would like to thank the PTA for paying for the new lockers, which I am sure you and the children would agree, is a much better and safer way of storing their belongings in school. We have also recently had a new floor laid and the entrance painted. We plan to paint the remainder of the building during half term.

We are currently busy creating a new learning area. The aim is to create a multi purpose room for pupils, staff, governors, parents and visitors to use.

Many thanks to Mr. Andrew Brown, one of our parents, for agreeing to help set up and run a new Library system in this room.
