Dear Parents / Carer,

Novel Coronavirus (COVID-19) - Update

I am very hopeful that you are all well and that you will continue to be. Again, I urge you to follow all Government and NHS guidelines. I would like to remind you again that we as staff at Ysgol Bryn y Môr are still here for you if you have any concerns, please contact us by email or phone the School. If no one answers, leave a message and you will be contacted as soon as possible. Remember, if you are a key worker and need urgent care for your children please contact us.

Opening of schools

I'm sure you've heard on the news that schools are due to reopen 'gradually' or a phased return. To date, no guidance has been issued other than the 5 principles:

The five principles for returning to school

1. The safety and mental, emotional and physical wellbeing of students and staff
2. Continuing contribution to the national effort and strategy to fight the spread of Covid-19
3. Having the confidence of parents, staff and students - based on evidence and information - so that they can plan ahead
4. Ability to prioritise learners at key points, including those from disadvantaged backgrounds
5. Having guidance in place to support measures such as distancing, managing attendance and wider protective actions.

No date has been given yet but once we have received any guidance I will share it with you.

Swansea County Music Provision

The Swansea Music team has created a virtual resource to support your children's musical development. Please see the attached letter and click on the link below:

Distance learning / Laptops

If you don't have a computer at home, we as a School may be able to lend one to your child (ren). We have a small number of laptops so we ask that you only make an application if you do not have a computer at home. If you would like to borrow a laptop please email or contact the School.

Resources to support your children are also available on the Swansea County website. They have created a School of Distance Learning. Apologies but the web site has not yet been translated.

<https://www.swansea.gov.uk/article/57314/Virtual-School-opens-for-pupils-parents-and-teachers>

Remember to use the School website. Teachers put lots of information, ideas and materials or links on the class pages.

Remember, the work is optional and if your children just want to contact their teachers to say "Hello" that's ok.

Wellbeing

Wellbeing remains our priority at the School.

If you feel you or your child need counselling the Exchange service is there to support you. You can self-refer yourself or your child.

Here is the link: <http://exchange-counselling.wales/>

Juniors (Yr 3 - 6) - Children can record their feelings or concerns using Speakr through their HWB account. If they do not remember their log in details, please email your class teacher.
