Categoreiddio Ysgol/ School Categorisation

Mae'r ysgol hon wedi ei gosod yn y categori Gwyrdd.

Caiff wybodaeth amrywiol iawn ei defnyddio i gategoreiddio ysgolion. Mae hyn yn cynnwys gwybodaeth am sut y caiff ysgol ei harwain a'i rheoli, ansawdd y dysgu a'r addysgu, a'r lefel o gymorth a her sy'n angenrheidiol i'w gwella. Defnyddir hefyd wybodaeth ychwanegol fel asesiadau athrawon, presenoldeb a chanlyniadau arholiadau. Mae'r wybodaeth hon yn sail ar gyfer trafodaethau rhwng yr ysgolion a'u cynghorwyr her.

The school has been placed in the Green category.

A wide range of information is used to categorise schools. This includes information on how a school is led and managed, the quality of learning and teaching, and the level of support and challenge needed to improve. Other information, such as teacher assessments, attendance and examination results, is also included and this sets the background for discussions between schools and their challenge advisers.

Presenoldeb/Attendance

Presenoldeb yr ysgol ar hyn o bryd yw 96.2%

Mae gwella presenoldeb yn flaenoriaeth genedlaethol. Ein bwriad yw gwella presenoldeb a thrwy wneud hynny wella cyflawniad dysgwyr. Os nad yw plant yn yr ysgol maent yn colli cyfleoedd gwerthfawr i ddysgu. Rydym am wneud yn siŵr fod plant yn manteisio i'r eithaf ar eu haddysg drwy fod yn yr ysgol a chael y dechrau gorau posib i'w bywyd.

The school's attendance is currently 96.2%

Improving attendance is a national priority. We aim to improve attendance and in doing so improve learners' achievement. If children are not in school, they lose valuable opportunities to learn. We want to make sure children make the most of their education by being in school
