Dear Parent/Carer

We have reached the end of the first 3 weeks of the summer term. We are still fortunate enough that there have been no cases of covid in the school but there have been incidents of bubbles in other schools having to self-isolate. Let's all continue to work together to ensure that we are placing the health and wellbeing of the school community as a priority.

May I remind parents that you must not send your child to school if your child or anyone in the household has any of the following symptoms:

- A new or continuous cough
- A high temperature
- Loss of taste or smell
- Inform the **school immediately** if anyone in the household tests positive for Covid 19.

Afterschool club / Clwb Gofal

Clwb gofal will reopen on May 4th. Although the Clwb Gofal is run by school staff it is still a private business and separate to the school. There have been a few queries recently about parents not wanting the places for their children to return immediately but may need space in the future. Whilst we understand that personal circumstances have changed for some parents, unfortunately, we cannot save a child's place in the clwb. There is a waiting list of pupils and parents who do require spaces. Therefore, parents will need to inform Mrs Caryl Morris immediately and give a month's notice if they do not wish for a space for their child at Clwb Gofal. The charging policy will remain in place. The school budget cannot supplement any loss of earnings.

School Morning Times

Now that we all have had time to readjust to returning to school, could I take this time to remind parents that school **starts at 8.50am**. This means that teachers start their school day at 8.50am. Your child should be in class by this time. The school gate opens at 8.35am. Parents/carers should aim for their children to be on the school premise by 8.45am at the latest, to allow time for pupils to travel to the classroom, wash their hands, put away their bags etc and settle in the classroom. Any child arriving after 8.50am will need to come to the Main School door, where any late pupils will be registered by office staff.

INSET

There is an INSET day planned for Monday, May 24th 2021 therefore the school will be closed to pupils. There are no further INSET days planned for the rest of the term.

Parents Evening

Parents' evenings are planned for the 2 weeks following the Whitsun holidays – **weeks beginning 7.6.21 and 14.6.21** (important for looking for dates on the booking form). Please use this online booking form to book your time slot. You must select your teacher from the drop down menu. Although times slots are 15 minutes

long, in reality the meeting will be around **10 minutes** long, to allow staff to prepare for the following meeting. We have allocated one meeting per child unless there are exceptional circumstances. It parents/carers require access from different locations – please remember to add another email so that the class teacher can send an invite. Other than that, once you book a time slot, a meeting will be generated automatically for you and the teacher.

I ask you all to be patient and understanding with all staff members as this is the first time we have run parents evenings through MS Teams. As I'm sure we are all aware, sometimes computers and systems have a mind of their own!

Changes to the Education System

There are many changes happening in the world of education over the next few years. We update our school page to try to keep parents updated with these changes. Some of these changes include the curriculum, support for additional learning needs and to RSE (Relationships and Sexuality Education).

Visit our website to find out more.

Enjoy the bank holiday weekend and remember that there is **no school on Monday May 3rd**.

Thank you for your patience, kindness and cooperation.

Yours sincerely,

Elin Wakeham
