Dear Parent/Carer,

Welsh Government Announcement

Today, we have received the announcement that schools will remain closed until January the 29th with a caveat that there will be a strong likelihood that schools will remain closed until half term. I am sure that having seen the current infection rates and deaths, it is understandable that this decision has been taken.

Face to Face Teaching/ Remote Learning

Staff have already started providing online learning and next week, live learning will also begin. I ask you all to re-familiarise yourself with the home school contract that outlines the expectation of live learning. Your class teacher will provide a timetable and further information of their expectations by Monday.

Emergency Child Care

This support will continue. Please contact the school if you feel that you are a key worker and need to use this provision. As mentioned by the Director of Education in her letter, this facility should only be used if there are no other childcare options.

Free school meals

Bacs payments will continue until the children return to school.

Staff

We welcome back Karen Griffiths to the school after her time on maternity. She will be teaching Year 3 alongside Rhys Jones, on a part time basis.

Mrs Cath Jones will take over the teaching of Year 1 until Mrs Rhian Hiley returns from her maternity in the summer term.

Thank you again for your continued support in what continues to be a challenging, worrying, frustrating and ever changing situation.

Yours Sincerely

E. Wakeham
