Dear Parent/Carer,

Happy New Year 2021!

I hope that you all have had a relaxing and healthy holiday. Although this year is not starting out the way we would have liked, I am still hopeful that, as the months go by into the New Year, we see an improvement to the current situation. 🙌 I urge you all to play your part in improving the situation by following government rules and guidelines.

Face to Face Teaching/ Remote Learning

As it stands, Swansea Council have made the decision to suspend face to face teaching until January 11th, then Primary schools are expected to reopen. **However, this is currently under review** and we are awaiting a further announcement from Welsh Government and Swansea Council by mid/end of this week. This could potentially be pushed forward to January the 18th.

From Wednesday, January the 6th your child's teacher will provide online learning opportunities. Please keep an eye out on the class pages on our website and encourage your children to log on to their Hwb account. Your teacher will inform you of their expectations.

Emergency Child Care

As of Wednesday January 6th the emergency child care provision will also be available. A separate message will be sent to key worker parents to book a place should you require it. If you feel that you meet the criteria of key worker, please contact the school.

Free school meals

Bacs payments will continue until the children return to school.

Thank you again for your continued support in what continues to be a challenging, worrying, frustrating and ever changing situation.

Yours Sincerely

E. Wakeham
