Dear Parent/Guardian

I'm sure we all breathed a sigh of relief at the news about the vaccine. However, we are not there yet and we must still all work together to ensure the safety of all in the community and the school by following all current guidelines.

Lunch Time

From November the 16th, Swansea Catering is now moving to offer two hot options for the children at lunch time. There will be no more cold options. All hot option lunches will be **served in the hall**. Children will remain sitting in their bubble and not mixing with other classes. It will also mean we will no longer require the cold option boxes and bottles which is wonderful news for the environment! All children that bring in their own sandwiches will remain in their classrooms. Please ensure that food containers and packaging in sandwiches boxes are easily opened, independently by your child. This is to limit contact for staff and pupils. Please remember our no nut policy.

Snacks

Please make sure your child brings in **fruit and water** for their snack at break time. We are looking into options for milk for the foundation phase in the New Year.

INSET

The dates for INSET are:

Monday 23/11/2020

Tuesday 22/12/2020

Monday 04/01/2021

Therefore, unless something else occurs, the **last day of term for the children will be Monday 21/12/2020**.
